

The consultant appointed to lead the department. They oversee everything: every unit, all records including teaching, accounts, postings, feedback, the doctors list and the dropdown lists. They complete trainees' courses, move them to their next stage and decide consultants' unit requests.

YOUR FIRST THREE STEPS

1. Open Approvals to check new sign-ups.
2. Open Doctors and keep the list of doctors who can be named on a record.
3. Open List Review to see what people typed that is not yet on a list.

RULES EVERYONE FOLLOWS

- Never enter a patient's name. Use the Hospital Number only.
- Nobody can sign off their own record, whatever else they are allowed to do.
- Consultants sign records but do not edit them. The trainee makes any correction.
- A signed record is locked. To change it, the signer (or a Head of Unit, Coordinator or Head of Department) must unlock it first.

Need help? Open Guide in the menu for the full steps, or press the ? beside a screen's title. You can also use Feedback. If you forget your password, choose "Request a reset" on the sign-in page.
