

A consultant appointed to head a unit for a set period. They oversee the units they head: the roster, the records logged there and overdue sign-offs. They can sign off on a colleague's behalf when asked, or when the colleague is away.

YOUR FIRST THREE STEPS

1. Open Case Sign-off and check "You can also sign these off".
2. Check the Dashboard for records waiting more than 7 days.
3. Open Roster to see who is posted to your unit and for how long.
