

A consultant appointed Head of a unit for a period. Oversees the units they head: roster, records logged there, overdue sign-offs, and signing off on a colleague's behalf when asked or when they are away.

YOUR FIRST THREE STEPS

1. Open Case Sign-off, including the "You can also sign these off" section.
2. Check the Dashboard for records waiting more than 7 days.
3. Open Roster to see who is posted to your unit and for how long.

RULES EVERYONE FOLLOWS

- Patients are never named. Every entry uses a Hospital Number only.
- Nobody can sign off their own record, whatever else they are allowed to do.
- Consultants sign records; they do not rewrite them. Correcting a record is the trainee's job.
- A signed record is locked. Changing it needs the signer (or a Head of Unit, Coordinator or HOD) to release it first.
