

A consultant whose designation is Professor. Everything a consultant does, plus sight of the roster and records for their home unit.

YOUR FIRST THREE STEPS

1. Open Case Sign-off to see what is waiting.
2. Open Roster to see your unit's trainees.
3. Open a trainee to see what was logged during their posting in your unit.

WHAT YOU WILL DO, AND WHEN

GET YOUR ACCOUNT	Create it, wait for approval, sign in. Start here
LOOK AFTER YOUR ACCOUNT	Password, leave, closure and feedback. When it comes up
SIGN OFF TRAINEES' RECORDS	Approve, or send back with a note. Every case
SEE YOUR TRAINEES	Roster and each trainee's page, within your scope. Regularly

YOU CAN

- Export records in scope to CSV (own unit(s))
- Be a sign-off approver
- Open a trainee's records (own unit(s))
- See the trainee roster (own unit(s))

YOU CANNOT

- See other units unless they hold an appointment or a permission for them.

RULES EVERYONE FOLLOWS

- Patients are never named. Every entry uses a Hospital Number only.
- Nobody can sign off their own record, whatever else they are allowed to do.
- Consultants sign records; they do not rewrite them. Correcting a record is the trainee's job.
- A signed record is locked. Changing it needs the signer (or a Head of Unit, Coordinator or HOD) to release it first.

Stuck? Open Guide in the menu for the full steps, press the ? beside a screen's title, or use Feedback. Forgotten password: "Request a reset" on the sign-in page.
